Bansal Ankit & Company

I/We, have verified the past performance data, based on the information and explanations provided, for the recommendations/advice provided by Value Stocks ("intermediary"), registration number INA300002022, as per the procedures agreed upon with the intermediary (enumerated in Annexure A) and found no exceptions. The verified data point(s) are provided here. The said verification has been performed pertaining to past performance till September 30, 2026

Further, please note the following:
1. The certificate pertains to the information referenced above and is not an assurance on the financial statements of the intermediary
2. The disclosure/dissemination of past performance has to be in compliance with the applicable regulations and it is the responsibility of the intermediary to comply with such regulatory requirements
3. The data presented/referenced herein are not verified by the Past Risk and Return Verification Agency (PaRRVA) or any other agency recognized by SEBI for this purpose. The performance data presented/referenced herein may not be comparable to performance data of any other IA/ RA. Computation of the performance may vary across the industry. Users are requested to apply their due diligence before making investment decisions on the basis of such past performance data. Past performance is no guarantee of future results. Investment in securities is subject to market risk. Registration with SEBI or enlistment with administration and supervisory body is not a guarantee or assurance of future returns.

Annexure A

1. I/We have performed the procedures enumerated below, with respect to past performance certification of the intermediary prepared/provided by the intermediary in connection with the disclosure/dissemination of past performance information to its clients/prospective clients.
2. The procedures performed by me/us are as follows:

- Obtained the information relating to the recommendations/advice provided by the intermediary
- Obtained the performance computation methodology
- Obtained other relevant data points necessary for the calculation of past performance
- Independently computed the past performance based on the above data
- Compared the past performance so computed independently with the past performance provided by the intermediary
- If exceptions were found, obtained necessary clarifications from the intermediary and then reported such exceptions. If no exceptions were found, reported in the certificate as such.
- Such verification is expected to be performed on a periodic basis and the last date of such verification shall be provided in the certificate
